

City of Red Deer online web mapping House & Backyard Suite User Guide.

Open a web browser and go to reddeer.ca

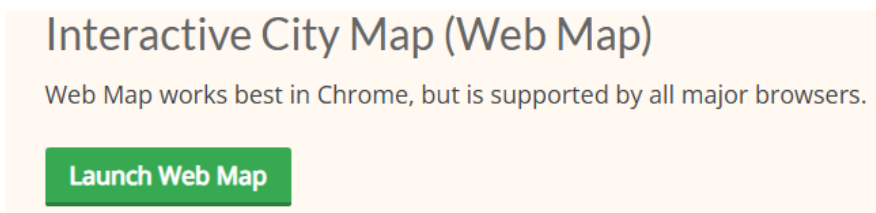

Click on “Online Tools” in the upper right-hand corner

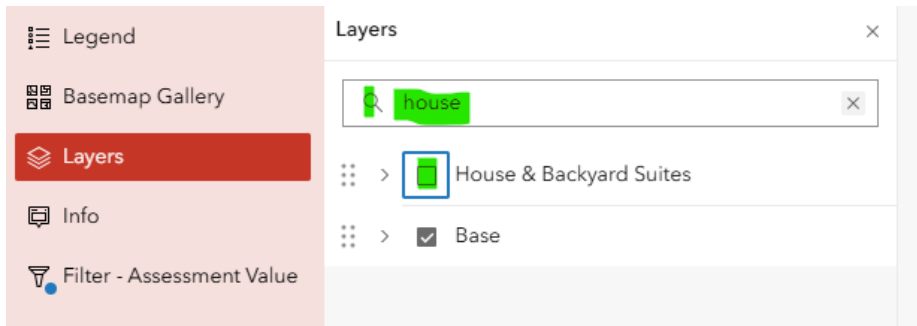

Scroll down and look for the tile that says, “Interactive City Map” and click on it

Look for the green button that says, “Launch Web Map” and click on it

Once the map opens, type in “house” to the search field at the top left, then click inside the box that says, “House & Backyard Suites (do not include the quotation marks)”

Use the mouse and click and hold the click on the map to drag the map around to locate your neighborhood or any neighborhood that you'd like to search

Use the mouse wheel to zoom in or zoom out

Alternatively, type in your street name or your neighborhood name in the search field in the top right corner.
