1(cc) Notwithstanding Section 6.2 of I2 Industrial (Heavy Industrial) District of this Land Use Bylaw the following exceptions apply to the lands currently owned by EVRAZ INC. NA CANADA, located at 27251 Township Road 391 (short legal: NW ¼ Sec 3-39-27-W4, Linc 0018975856): any expansion of the use or development shall require the submission of a detailed noise impact study by the proponent, prepared by a qualified consultant, to determine what on-site mitigation measures are required to avoid excess sound emissions to the satisfaction of the Development Officer.

²(dd) Notwithstanding Section 5.6 of this Land Use Bylaw, on Lot 1, Block 2, Plan 932 1800 (2506 19 Street) development requires approval by the Development Authority and is subject to the following development regulations/standards:

(i) Regulations:

- (1) Site Coverage: Maximum of 25%
- (2) Building Height: Maximum of 2 storeys (maximum 9.0m)
- (3) Landscaped Area Minimum: 20% of site area
- (4) Parking Spaces: Subject to sections 3.1 & 3.2
- (5) Design Criteria: Subject to section 8.22(1)(dd)(iii)

(ii) Approving Authority

- (1) The Development Authority is the Approving Authority for all uses and development on this property. In exercising its approval powers, the Development Authority shall ensure that development, in addition to the above Regulations, also complies with any Design Criteria. Variances to the Regulations or Design Criteria will not be considered.
- (2) All development standards, site plan, site access, the relationship between buildings, structures and open space, the architectural treatment of any building, the provision and architecture of landscaped areas, and the parking layout shall be subject to approval by the Approving Authority.

(iii) Design Criteria

- (1) The Design Criteria within this site exception shall prevail over the C5 District Design Criteria
- (2) The physical relationship of building with the street is critical in establishing the overall character of the area. The Building shall have a strong presence along its public street fronting property line and an inviting interface with the public realm's sidewalk and street

¹ 3357/U-2015

² 3357/HH-2016

- (3) Developments shall create variety, character, comfortable scale and visual interest by incorporating a variety of building styles.
- (4) The Principles of Crime Prevention through Environmental Design (CPTED) shall be applied to all development.
- (5) High quality hard and soft landscaping elements shall be provided including trees and shrubs that add value throughout all seasons.
- (6) Developments shall be designed with green technologies and materials that reduce energy, waste and conserve water (i.e. green roofs, solar energy systems, district energy).
- (7) Building fronting collector streets shall have minimal front yard setbacks unless additional space is required for such things as an eating patio, major private art display, water feature or other amenity.
- (8) The rear yard setbacks shall be flexible and as required to allow for site access, on-site parking, loading and servicing. The west yard setback to building to be a minimum of 23.0m, with the exception of the southwest corner of the site permitting a minimum setback of 7.0m to building face.
- (9) Developers shall create opportunities for pedestrian linkages to the east and south only.
- (10) Street elevations of buildings located on corner properties shall have equal sidewalk interface and architectural corner features and high quality elevation treatments along each side.
- (11) Building walls facing a public street shall be articulated at approximately 6-8 metre intervals containing varied design elements such as entrances, windows, vertical accents, setbacks, canopies and signage, projections, and roof lines.
- (12) All businesses or stores shall have their own clearly identifiable street level entry.
- (13) All commercial ground floor elevations facing a street shall contain un-tinted glass windows.
- (14) Underground parking is highly encouraged. All surface parking shall be paved and located behind the building(s) in carefully designed, landscaped lots with defined, integrated pedestrian connections to public sidewalks and trails. No surface parking shall be allowed between a street and a building.

- (15) To assist in establishing a sustainable urban environment, internal private laneways are encouraged as part of the design to allow servicing, access to parking, as well as key pedestrian linkages.
- (16) Signage shall comply with the signage requirements of the Land Use Bylaw for the C1 District.
- (17) Illuminated signage mounted on buildings shall not be permitted, with the exception of a fuel sales site. Signage may be accentuated by lighting fixtures projecting light either back at the building or down towards the ground.
- (18) A 2.4m high solid opaque fence is required along the entire west property line.
- (19) Garbage collections shall be underground waste disposal system or equal. Garbage collection bins and waste disposal that is 100% above ground shall not be permitted.
- (20) The majority of the tree buffer along the northwest boundary be retained.
- (21) The location of fuel sales and accessory car wash are located adjacent to the arterial and collector roadways away from the single family residential to the west.

¹(ee) On those sites listed below, a Supervised Consumption Services may be considered as a Discretionary Use with City Council as the designated Development Authority:
