The City is not responsible for loss or damages to Memorial Dedication Trees resulting from theft, vandalism, natural causes, wildlife, insects, or diseases.

Tree species selected is influenced by availability, health, and forecasted cost of the tree. Planting is contingent upon approval by the Urban Forestry team. A confirmation email will be sent with a picture and map of where the tree is planted within the Barrett Park Memorial Tree Garden.

Placing permanent/non-permanent memorials within the memorial garden are not permitted. Items may be removed at the discretion of the Parks and Public Works Department.
